From Rotary International,

Just as Rotary's mission of peace and understanding unites, a spirit of cooperation and togetherness links the cities of Malmö and Copenhagen. The 2006 RI Convention is not only the first Rotary celebration in the Nordic region - it's also the first to embrace the hospitality of two host countries. The 97th annual RI Convention kicks off our second century of service and presents a remarkable opportunity to build bridges of friendship and service with fellow Rotarians and come away with new ideas and inspiration that will resonate into the future.

Program: John Morgan on Xmas Basket Program.
