Rotary International comments: Attendance

Attending club meetings allows members to enjoy their club's fellowship, enrich their professional and personal knowledge, and meet other business leaders in their community. Club meeting times vary to accommodate members' family and professional commitments. Some clubs meet during the traditional time of the lunch hour, while others meet in the early morning, after work, or in the evening.

Rotary policy requires members to attend at least 50 percent of club meetings in each half of the year. If members miss their own club's meeting, they're encouraged to expand their Rotary horizons by attending make-up meetings at any Rotary club in the world — a practice that guarantees Rotarians a warm welcome in communities around the globe. Find local meeting places and times on the back of this Bulletin.
