Rotary International comments: Message from our outgoing Rotary Intl President, There is so much we can do as Rotarians that will mean so much to others. And as important as it is to give material assistance – to help in the areas of water, health and hunger, and literacy – it is equally vital that we give that help freely, with true caring for others. Because often, simply caring is what helps others most of all.

As this Rotary year and my term as RI president draw to a close, I thank you all for your service to Rotary and your support. I have been honored to serve as your president, and remind you that The Future of Rotary Is in Your Hands.
