Rotary news in brief from around the globe. The Rotary clubs of Churchland-Portsmouth and Portsmouth, Virginia, USA, hold a barbecue networking event every year, full of food, refreshments, and live entertainment.

According to Bill Pollard, a member of the Churchland-Portsmouth club, thousands of people attend the event, with each club netting about US\$10,000 to support local projects and programs. The Rotary Club of Calcutta Uptown, West Bengal, India, is best known for helping provide eye care, computer centers for youth, and improved sanitation in rural areas of the Bengal region. Many Rotary clubs are known in their communities for one big project or event that sets them apart from other groups. Whether it's an annual dinner that raises funds for polio eradication, or a park clean-up, your club's signature project or fundraiser can help promote Rotary's public image as an action-oriented service organization.

Quip of the Week: From the archives of the Rotary club of Padstow. Importance of a period. Teacher: "Do you know the importance of a period?" Child: "Yeah, once my sister said she has missed one, my mom fainted, dad got a heart attack & our driver ran away."
